Get more than reliable traction this season

Trim costs with an exclusive

0% financing for 24 months on Komatsu Undercarriage.

This special program starts now and runs through March 31, 2027.

Track with confidence under any conditions with high quality undercarriage parts from Komatsu. Engineered for long life, we've got options to meet all your needs.

Contact your local Komatsu dealer rep or scan the QR code to find a Komatsu dealer near you!

Details*

1. Applies to all Komatsu undercarriage types
   - General Construction
   - Conventional
   - PLUS
   - PLUS Fit
   - and more!
2. Labor cost can be financed if work is performed by your Komatsu dealer
3. Purchases of $7,500 or more
4. Other Komatsu repair parts eligible at time of complete undercarriage replacement

KOMATSU | Columbus Equipment Company SINCE 1952

*Subject to credit approval from Komatsu Financial along with the minimum parts and service financing of $7,500 or more, with or without Komatsu dealer labor. When a complete undercarriage replacement occurs, other Komatsu repair parts included on the same invoice can be included under the terms of this financing program, not to exceed $100,000 total financed. Terms and conditions may apply. Contact your local Komatsu dealer for details. Expires March 31, 2027. Qualified customers may have the option of three upfront skips before initial payment.

Need more reasons than a 0% finance rate?

Ask your dealer about Komatsu's best in class undercarriage assurance.

Conventional, Standard link assembly
Works well in all applications.

General construction (GC) link assembly
Lower cost option for machine working in light and medium duty applications.

PLUS Parallel link assembly
Our longest-lasting option that works well in all applications, especially high abrasion.

PLUS Fit link assembly
A fixed bushing link assembly option for when you need to replace worn out PLUS links but still have life on the existing shoes and rollers.
